

Features:

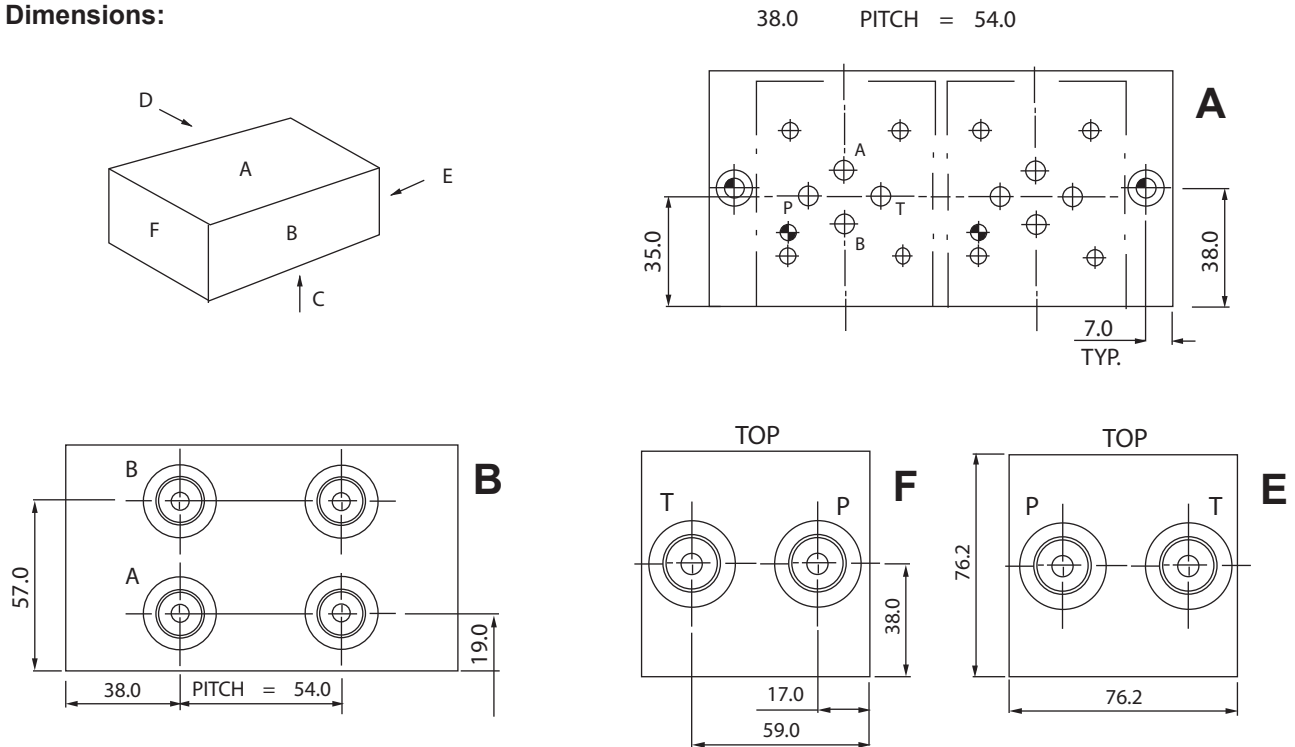

- Cetop 3 multi-station manifold.
- Material; steel or aluminium alloy.
- Working pressure; steel (315 bar), aluminium alloy (250 bar).
- 'A' and 'B' ports = 3/8" B.S.P.
- 'P' and 'T' ports = 1/2" B.S.P.

Technical specifications:

Number of stations	Overall length
One	76.0
Two	130.0
Three	184.0
Four	238.0
Five	292.0
Six	346.0

Dimensions:

Model code

FTMB6A	2
---------------	----------

Product type:
 FTMB6A (Aluminium)
 FTMB6S (Steel)

Number of stations:
 1 - 8 Stations, options available
